OHIO'S STATE BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS AND SURVEYORS

Continuing professional development (CPD) activity log

4012

All CPD activities and courses must be relevant to the practice of engineering or surveying and must include technical, ethical or managerial content. This form is required for tracking your CPD hours for Ohio P.E. and Ohio P.S. registration annual renewal. This form does **not** replace copies of your certificates of completion or other documentation required by Ohio Revised Code Chapter 4733.151. Fifteen CPD hours are required for Ohio registration renewal. A maximum carryover of 15 CPD hours are allowed per year. For information about the Board's CPD requirements, go to our website at **http://ohiopeps.org/cpd/index.html**.
